PILATES CLASSES – Term 4 2017: Monday 9th October & Thursday 12th October 2017

What you need to know before commencing the course:

Pilates is a series of body and mind exercises which help

- Improve core strength
- Improve postural awareness
- Improve flexibility and balance
- Improve muscle tone
- Aids in injury prevention

Your class will be instructed by our qualified physiotherapist Leandra.

Please bring clean socks, a clean towel, a drink bottle if required, and wear relatively fitted but comfortable clothing suitable for exercise.

Class Fees: There will be 2 commencing dates and times.

1. The first class will commence on **Monday 9th October at 6:30PM** this class is usually held **every Monday for 10 weeks**.
2. Those attending on a Thursday will commence on **Thursday 12th October at 6.30pm** and will run **every Thursday for 10 weeks**.

Classes are \$22 each therefore the 10 week course price is \$220. Payment is due by Monday 25th of September 2017. Placements will be closed on this date.

Please Note: As you are **new** to attending Group Pilates at Stirling Health Professionals you **must attend a mandatory 1-on-1 Pilates Assessment** prior to commencing group classes. If you have allied health insurance your Pilate's classes and Pilates Assessment can be claimed as part of your Physiotherapy cover. An itemised receipt will be sent out at the end of the Pilates term so that you can submit your claim. **Private health insurance companies will only pay for the classes attended.** **Because you have pre-paid for the classes, if you are unable to attend any please organise to attend a make-up class as soon as you can.** As the exercises are progressed each week, it is important you try to attend your class every week.

From Monday 25th of September the Term 4 fees are non-refundable.

Please indicate your preferred class: Monday 6.30pm Thursday 6.30pm
